

**CHIANG MAI
UNIVERSITY**

**Curriculum Vitae
Prof. Nahathai Wongpakaran, MD,
FRCPsychT**

Name: Nahathai Wongpakaran [นพทชัย วงศ์ปการันย์, ศาสตราจารย์ สาขาจิตเวชศาสตร์]

Position: Professor of Psychiatry

Gender: Female

Marital status: Married

Maiden name: Kuntawongse (กันขวงค์)

Birth: 1974

Office: Geriatric Psychiatry Unit, Department of Psychiatry, Faculty of Medicine, Chiang Mai University (CMU), A. Mueang, Chiang Mai, Kingdom of Thailand 50200 Tel: 66-53-935422, Fax: 66-53-935426

E-mail: nahathai.wongpakaran@cmu.ac.th

Website: www.wongpakaran.com

Education/training & qualification:

- | | |
|----------------|---|
| 2018 | Diploma, Thai Subspecialty Board of Geriatric Psychiatry, Medical Council of Thailand |
| 2006, October | Postdoctoral fellowship certificate in geriatric psychiatry, University of Toronto, Canada [2004-2006] (Supervisor: Assistant Professor Robert van Reekum, MD, FRCPC) |
| 2002, 11 July | Diploma, Thai Board of Psychiatry, Medical Council of Thailand [1998-2002] (Training site: Chiang Mai University) |
| 1999 | - Graduate Diploma in Clinical Sciences (Psychiatry), CMU, Chiang Mai, Thailand [1998-1999]
- Certificate, Full-year Internship, Medical Council, Thailand |
| 1998, 10 March | Doctor of Medicine, CMU [1992-1998] |

Status of employment: Civil servant

Academic position:

- | | |
|-------------------------|--|
| 14 Jan 2013-present | Professor of Psychiatry |
| 18 Aug 2010-13 Jan 2013 | Associate professor of psychiatry |
| 30 Sep 2004-17 Aug 2010 | Assistant professor of Psychiatry |
| 27 Aug 2002-29 Sep 2004 | Instructor, Department of Psychiatry, Faculty of Medicine, CMU |

The Royal Thai decorations:

1. Knight Grand Cordon (Special Class) of the Most Noble Order of the Crown of Thailand (มวณ.) (2020)
2. Knight Grand Cross (First Class) of the Most Exalted Order of the White Elephant (ปช.) (2017)

3. Knight Grand Cross (First Class) of the Most Noble Order of the Crown of Thailand (ปม.) (2013)
4. Knight Commander (Second Class) of the Most Exalted Order of the White Elephant (ทช.) (2009)

6. Commander (Third Class) of the Most Noble Order of the Crown of Thailand (ตม.) (2003)

Honours, awards, scholarships, research grant:

1. Anandhamahidol Foundation's Scholar Support Fund [ทุนส่งเสริมบัณฑิต ของ มูลนิธิอานันทมหิดล] (2013-2016)
2. Anandhamahidol Foundation's Scholar Support Fund [ทุนส่งเสริมบัณฑิต ของ มูลนิธิอานันทมหิดล] (2010-2013)
3. 'Fellowship award' of the 7th World Congress of Biological Psychiatry, Berlin, Germany, 1st-6th July 2001
4. 'Fellowship award' of the 12th World Congress of Psychiatry, Yokohama, Japan, 24th-30th August 2002
5. The International Society on Brain and Behaviour scholarship for Mental Health Professionals from Low and Middle countries, 2nd International Congress on Brain and Behaviour, Thessaloniki Greece, November 17th-20th, 2005
6. Candidate, Aristotle Research Award, 2nd International Congress on Brain and Behaviour, Thessaloniki Greece, November 17th-20th, 2005
7. Scholar, Course on Leadership and Professional Skills. Hong Kong, China. June 2007
8. 2011 TSGN Eisai for Geriatric Psychiatry Award [EGPA], Travel grant for scientific research presentation
9. National Research Council of Thailand research grant 2012 on Depressive disorders, Anxiety disorders and Suicide risk and the associated factors among elderly people (DAS Program)
10. The 2013 Psychiatric Association of Thailand's Most Outstanding Psychiatrist Award in Research
11. A world's top 2% scientist for 2021, rank 275,371 (General and internal medicine-psychiatry) by Elsevier, SciTech Strategies and Stanford University

Prides on supervisorship

1. Dr. Yanisa Phothitirat, a final year psychiatry resident, receives an Outstanding Oral Presentation at the 38th Royal College of Psychiatry annual meeting 2010 for 'The prescription of anticholinergic agents in Alzheimer's disease patients'.
2. Dr. Amornphit Kittipodjanasit, a final year psychiatry resident, receives an opportunity to make a poster presentation at the 4th World Congress of Asian Psychiatry, Bangkok, 20-23 Aug 2013 on 'Prevalence and associated factors of borderline personality disorder in suicidal attempters: a case-control study.'
3. Ms. Punnee Chaiwong, a student of Master of Nursing Science (Gerontological Nursing), receives an opportunity to make an oral presentation at the 41st Annual Meeting of the Royal College of Psychiatrists of Thailand, Bangkok, 21-22 Nov 2013 on 'Incidence and predictors of postoperative delirium in elderly'.
4. A group of medical students in the 'Little researchers-mo noi nak wichai' project (Mr. Natchaphon Songtrichak, Ms. Natchaya Khunanitthawon & Ms. Salilthip Paiboonsithiwong) receives a research grant 20,000 Baht from the Faculty of Medicine, CMU, for the project entitled 'Factors affecting achievement and mental health in medical students: a three-year

- prospective, longitudinal follow-up study among pre-clinical year students of Chiang Mai University (FAME project)' in 2015.
5. A group of medical students in the 'Little researchers-mo noi nak wichai' project (Mr. Natchaphon Songtrichak, Ms. Natchaya Khunanitthawon & Ms. Salilthip Paiboonsithiwong) receives an opportunity to present their 3 Oral presentations from the FAME project in The 16th National Medical Education Conference of Thailand, 24-26 Aug 2015. Song Khla. Thailand.
 6. Mr. Natchaphon Songtrijuck, a 3rd year medical student, CMU, was awarded the Complimentary Mention for outstanding oral presentation entitled "Perceived stress, perceived social support, and interpersonal problems among Freshmen". The 16th National Medical Education Conference of Thailand, 24-26 Aug 2015. Song Khla. Thailand.
 7. Ms. Natchaya Khunanitthawon, 3rd year medical student, CMU, was awarded the Complimentary Mention for outstanding oral presentation entitled "Motivation and academic achievement in medical students". The 16th National Medical Education Conference of Thailand, 24-26 Aug 2015. Song Khla. Thailand.
 8. First full-text publication of FAME Researchers (4th year medical students) as Paiboonsithiwong S, Kunanitthaworn N, Songtrijuck N, **Wongpakaran N***, Wongpakaran T. Learning styles, academic achievement & mental health problems among medical students. J Educ Eval Health Prof. 2016; 13: 38. <https://doi.org/10.3352/jeehp.2016.13.38>
 9. Ms. Natchaya Khunanitthawon, 4th year medical student, CMU, received a travel grant from the Faculty of Medicine to make an oral presentation (Kunanitthaworn N, Songtrijuck N, Paiboonsithiwong S, Wongpakaran N, Wongpakaran T. How can amotivation be reduced among medical students?) At the Association for Medical Education in Europe (AMEE) Annual Conference 2016, 27-30 Aug, 2016; Barcelona, Spain.
 10. Mr. Natchaphon Songtrijuck, a 4th year medical student, CMU, received a travel grant from the Faculty of Medicine for a poster presentation (Songtrijuck N, Paiboonsithiwong, Salilthip., Kunanitthaworn N, Wongpakaran N, Wongpakaran T. Perceived support from family as a mediator of interpersonal problems and perceived stress among medical students) at the 15th Annual International Mental Health Conference and 13th Annual Child Mental Health and Psychiatry Conference; 2016; Central Government Complex Hotel & Convention Centre Chaengwathana, Bangkok.
 11. Dr. Mukda Banjongrewadee, a final year resident, received a travel grant from the Psychiatric Association of Thailand for a Poster presentation/Short communication (on Banjorewadee et al. Role of Perceived Stress in Postoperative Delirium: an Investigation among Elderly Patients) at the 18th World Congress of Psychiatry; 26-29 Sep 2018; Mexico City, Mexico.
 12. Dr. Chawisa Suradom, a final year resident, received a travel grant from the Psychiatric Association of Thailand for an Oral presentation (on Suradom et al. Prevalence and the associated factors of comorbid anxiety disorders in late-life depression: findings from the DAS Study) at the 18th World Congress of Psychiatry; 26-29 Sep 2018; Mexico City, Mexico.
 13. Dr. Chawisa Suradom, a final year resident, received the best oral presentation award (English) on 'Prevalence and the associated factors of comorbid anxiety disorders in late-life depression: findings from the DAS Study' at the 46th Royal College of Psychiatry annual meeting 2018.
 14. Dr. Awirut Oon-Arom, a junior staff, received the 2019 IPA Junior Award on Psychogeriatrics, IPA/SEPG 2019, 31 Aug-3 Sep 2019, Santiago de Compostela, Spain.

Recent research ethics training:

- Good Clinical Practice, held by Chiang Mai University, Faculty of Medicine, and FERCIT, 5-6 Jul 2018, Pang Suan Kaew Hotel, Chiang Mai

- Human Research Ethics, held by Faculty of Nursing, Chiang Mai University, 4-5 Jul 2019
- Research ethics committee training: update in common rule and special ethical issues, held by Faculty of Nursing, Chiang Mai University, 27 Dec 2019, Rati Lanna Hotel, Chiang Mai
- Research Ethics Committee Members training on Special Reference to GCP and US Regulations, held by Faculty of Medicine, Chiang Mai University, 31 March - 1 April 2021
- Human Subject Protection & Good Clinical Practice, held by Faculty of Medicine, Chiang Mai University, 15-16 Jul 2021

Professional societies:

Past

- Member of the Young Psychiatrist Network of World Psychiatric Association (2002)
- Committee and Secretary General, Thai Society for Geriatric Psychiatry and Neuropsychiatry (TSGN) (formerly known Geriatric Psychiatry and Neuropsychiatry Interest Group-GeNPIG) (2006-2012)

Active

- Member of the Thai Medical Council (since 1998)
- Member of the Royal College of Psychiatrists of Thailand (since 2002)
- Member of the Psychiatric Association of Thailand (since 2002)
- Member of the International Psychogeriatric Association (Lifetime, since 2005)
- Foreign relations, Thai Society for Geriatric Psychiatry and Neuropsychiatry (TSGN) (since 2013)
- Founding member, Coordinator, Psychogeriatric Network of Thailand (PGN) (since 2011)
- Doctor of Medicine curriculum administrative committee, Faculty of Medicine, Chiang Mai University (since 2011)

Editorships

- 2007-2008: Associate editor of the ASEAN Journal of Psychiatry
- 2020-2021: Assistant editor of IPA Bulletin
- 2020-2021: Associate editor of Frontiers in Psychiatry

Reviewerships for scientific journals:

- 2010** Clinical Practice & Epidemiology in Mental Health
- 2011** Malaysian Journal of Medicine
- 2012** 1) Siriraj Medical Journal
2) Clinical Practice & Epidemiology in Mental Health
3) Japan Journal of Nursing Science
- 2013** 1) Perspective in Psychiatric Care
2) Psychiatry Research
3) BMC Emergency Medicine
- 2014** 1) Journal of Psychiatric Association of Thailand
2) BMC Family Practice
3) Perspective in Psychiatric Care
- 2015** 1) Asia Pacific Journal of Psychiatry
2) PLOS One
- 2016** 1) Songklanagarind Medical Journal
- 2018** 1) Perspective in Psychiatric Care
2) Journal of Health Systems Research
- 2019** 1) Perspective in Psychiatric Care

- 2) Death Studies
- 2020** 1) Death Studies
- 2) J Med Assoc Thai
- 3) BMC Psychiatry
- 4) Advances in Medical Education and Practice
- 5) Perspective in Psychiatric Care
- 6) Clinical Intervention in Aging
- 2021** 1) Neuropsychiatric Disease Treatment
- 2) BMC Psychiatry
- 2022** 1) BMC Psychiatry

Other experiences/appointment:

- 2020 International Psychogeriatric Association International Congress Advisory Committee, 2-5 Oct 2020, Lisbon, Portugal
- 2019 International Psychogeriatric Association International Congress Regional Coordinator, 31 Aug-3 Sep 2019, Santiago de Compostela, Spain
- International Master of Science Program in Mental Health (iMMH) Chair of Curriculum Administration Committee, Chiang Mai University (As off 2019)
- International Master of Science Program in Mental Health (iMMH) Curriculum Development Committee, Chiang Mai University (2014-2019)
- Senior consultant, Thammapakorn Welfare Development Centre for Older Persons, Chiang Mai (since May 2010)
- Royal College of Psychiatrists of Thailand Geriatric Psychiatry fellowship curriculum development committee (2011-2012, 2013-2014)
- Faculty of Nursing Ethics Committee, CMU (since 2013)
- Consultant, RIHES, CMU (since 2013)
- Faculty of Medicine, CMU Undergraduate medical curriculum development committee (Since 2011)
- Faculty of Medicine Ethics Committee (May 2007-Jan 2015, May 2017-present)
- Chair of Curriculum Committee, Master of Science Program in Mental health, Graduate School, CMU (Jun 2019- present)

Areas of interest:

- Geriatric psychiatry
- Personality disorder
- Neuropsychiatry
- Psychiatry and medical education
- Development of measurement in psychiatry and behavioral science

Research program director and principal investigator

1. Psychiatric disorders in burn patients
2. Medical students and the acceptance by psychiatric patients
3. Association between Selective Serotonin Reuptake Inhibitors and apathy in depressed elderly
4. A 6-month, double-blind, randomized, placebo-controlled, parallel group outpatient trial, investigating the efficacy and safety of Org 50081 in adult patients with chronic primary insomnia
5. A twenty-six weeks, open-label extension trial to evaluate safety and efficacy of Org 50081 in outpatients with chronic primary insomnia who completed clinical trial protocol 21106
6. Reliability of the Thai version of Confusion Assessment Method algorithm (CAM algorithm)

7. Can guided imagery improve symptoms of depression, anxiety and pain among elderly people in Thailand?
8. Mental illness in long-term care facility: a report from the Chiang Mai Thammapakorn Welfare Development Centre for Older Persons
9. Depressive disorders, Anxiety disorders and Suicide risk and the associated factors among elderly people (DAS Program)
10. Prevalence and clinical correlation of Borderline personality disorder in patients with suicidal behavior
11. Knowledge management and synthesis of practice guideline in the long-term care system for disabled or dependent elderly: Late-life depression (KM2015-LLD)

Research presentation:

1. **Wongpakaran N**, Wongpakaran T. Development of Burden Scale Using Rasch Analysis. IPA/SEPG 2019, 31 Aug-3 Sep 2019, Santiago de Compostela, Spain.
2. **Wongpakaran N**, Wongpakaran T, Anantanasuwong D, Kuntawong P. Using PHQ-9 in identifying depression among community dwelling older people: a study of a national survey. IPA/SEPG 2019, 31 Aug-3 Sep 2019, Santiago de Compostela, Spain.
3. Doungyota T, Phromsida C, **Wongpakaran N (presenting author)**, Udomratn P, Boonchareon H, Phanprathum S, et al. Factor structure of a 36-item Satisfaction and Well-being of the Elderly scale (SWE-36). The 27th European Congress of Psychiatry, 6-9 Apr 2019. Warsaw, Poland.
4. **Wongpakaran N**, Wongpakaran T, Lertkachatarn S, Siriruk T. Testing for bifactor model and differential item functioning of Core Symptom Index: A tool for depression, anxiety, and somatization. The 31st European Congress of Neuropsychopharmacology, 6-9 Oct 2018. Barcelona, Spain.
